ZW30736 Large Pet Cot Assembly Instructions

A.) Cot Cover (1)
B.) Width Bars (2)
C.) Legs (4)
D.) Side Bars (4)
E.) Corner Pieces (4)
F.) T-Shaped Bracket (2)
G.) U-Shaped Support Bar (1)

1. Lay Cot Cover (A) flat on the ground with the underside facing up. Open the velcro flap.
2. Secure the Width Bars (B) inside the stitched-down flaps of the Cot Cover (A).

3. Attach two Corner Pieces (E) to the ends of one Width Bar (B) as shown.

4. Connect two Side Bars (D) to the attached Corner Pieces (E).

5. Connect the two T-Shaped Brackets (F) to the attached Side Bars (D). Connect the remaining two Side Bars (D) to the opposite ends of the T-Shaped Brackets (F).

6. Connect the attached Side Bars (D) to the second Width Bar (B) using the remaining two Corner Pieces (E).

7. Close the velcro flaps of the Cot Cover (A).

8. Connect the U-Shaped Support Bar (G) across the middle of the cot by securing it to the stems of the T-Shaped Brackets (F).

9. Attach the four Legs (C) to the four Corner Pieces (C).
