

ZW5207 Modular Kennel Cage Divider

Parts List

(A) Divider Panel (1)

(B) Support Bar (1)

1. Remove the Floor Grate Connection Panel (included with the large ProSelect Modular Kennel Cage).
2. Slot the Support Bar (B) into the space between the two floor grates. The tabbed end of the Support Bar should be on top.
3. Slide Divider Panel (A) into place.
