

B-24

THERMAL ACE FORCE PET DRYER W/ HEAT

The XPOWER B-24 Heated Force Dryer gives you the power and heat to dry those pets even faster! The variable speed control along with dual heat settings gives you complete control over the amount of air and temperature you need to dry any dog, small or large with short or long hair. Like all XPOWER dryers, the B-24 is extremely lightweight and up to 40% quieter than most dryers in the market. Its rugged ABS housing makes it super durable and the filter system protects the motor from debris for maximum efficiency. The B-24 is compatible with our wall or stand mount kits letting you put your machine wherever it is most convenient and secure.
