- Easy-to-clean finish

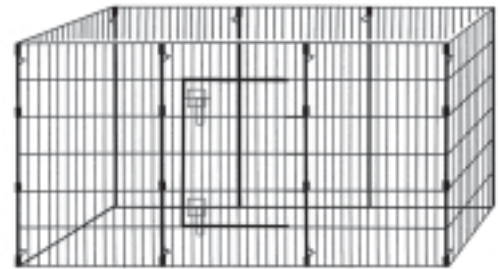

Versatile design can form multiple shapes

4' x 4' Square

(Figure A)

6' x 2' Rectangle

Fence (up to 16')

Octagon

Closed

#### Cleaning instructions:

Do not use harsh detergents or abrasives. This product has an epoxy finish to protect against rust and to help resist soiling. To clean, use mild, soapy water and a sponge or soft cloth to wipe away stains. Rinse and dry thoroughly.

#### Instructions for Use:

Unfold exercise pen and arrange panels into desired configuration. Open bolt snaps on edge of end panel and securely attach to wire rung of opposite end panel (Figure A).

To open door, lift levers or latches until locking pin is pointing down and slide latches to right to unhook. Swing door open.

To lock, close door and slide levers to left until pins are through latch. Push levers down against pen panel to secure.

Optional ground stakes to anchor pen securely to dirt or grass are also available separately.

#### Caution:

We suggest the use of anchoring stakes when used on grass or dirt.

For the safety of your pet, we recommend that you remove collars, tags or any other articles from your pet which may potentially snag between wires.
