

Sprinter EXT II Stroller

Instructions:

1. Unfold Stroller Frame until locking hinge on side of the frame clicks into place.

2. Back wheels attach by depressing the silver button on the back wheel bar. Once wheel is securely in place, release the button. (Front wheel comes attached and unlocked).

3. Attach fabric panel to the bottom of stroller using Velcro® flaps.

4. Attach the Velcro® flaps on the sides of the Stroller Body to the belly bar of the Frame.

5. Fully assembled Stroller

Front Wheel Locking Instructions:

1. When walking, jogging, or going on faster strolls, lock the front wheel in place for safety.
2. To lock front wheel, push the small tab up on the red locking mechanism just behind the wheel barrel and rotate until the metal pin slides into the hole above.

Warning: Brakes should be pushed up to the highest position before use. To lock brakes, push down on levers to the lowest position.

Folding and Storage Instructions:

1. Fold down Canopy, then pull up top half of plastic hinge on sides of frame to release and fold frame.
2. To secure the stroller in a folded position, loop the red plastic hook over the corresponding metal post.

Care and Maintenance

Wipe frame and fabric clean with a damp cloth using a mild soap and water. Let air dry. Store in a clean, dry place.

Use Instructions

PLEASE READ THESE INSTRUCTIONS CAREFULLY

Designed for use with pets only. Recommended for use with one pet only. Do not overload stroller. Maximum weight of pet should not exceed 25 lbs. Use of a safety harness or similar restraint is recommended. Do not leave pet unsupervised in stroller. Do not use stroller on escalators or stairs. Fold stroller and carry. Use brake whenever stroller is parked. Check that frame is locked in place and stroller body secure before placing pet inside. Do not hang heavy items from handles as this may make the stroller unstable. Do not carry additional items in stroller that may cause it to exceed its maximum load capacity.
